ZOMBIE WALK AGAINST HUNGER

On Sunday, October 26, 2008, zombies around the world will gather and roam their local streets for one common cause: to fight world hunger. The local event, sponsored by Zombie Walk Detroit, will take place in downtown Ferndale.

I will be walking to raise donations for Gleaners Food Bank and Ferndale Food Banks. Every dollar I raise helps Gleaners obtain food at wholesale cost, so **every bit counts.** Please give generously.

Note: This is not per mile, nor does it depend on distance. The amount you pledge is the total amount you pay. Sponsor sheets and donations will be collected at the walk. Please get your donation to the walker before then. Please make any checks payable to **Gleaners Food Bank**. Donations are tax deductible. **Thank you.**
